VILLAGE APPROVAL OF BUILDING PERMIT APPLICATION

The Kane County Building Division provides building permit plan review and inspection services for the **Villages of Campton Hills, Kaneville and Virgil** under an intergovernmental agreement approved by the County and the Villages. The agreement states that the Villages will review and sign the original application form before the application and other submittals will be accepted by the Kane County Building Division. In order to facilitate and confirm that the Village has reviewed and approved the application prior to the permit being issued, this form may be used in addition to or in place of the Village's signature on the application form.
